

Facilities at the Village Hall

Main Hall. The main hall is large enough to accommodate 125 people seated or 150 if standing. The polished wood floor is good for dancing and there is a large stage with stage lighting at one end. At the other end, the hall is adjoined to a small kitchen, with cutlery/crockery etc for up to 80 people. This kitchen has a cooker, microwave, fridge and pots/pans/trays etc. We have a music licence, but not a permanent alcohol licence. There are plenty of large and small tables, together with chairs.

Giles room. The Giles room is self-contained and accessed from an entrance at the far end of the building. It can comfortably accommodate up to 25 people for meetings, workshops, small parties etc. Tables and chairs are available and there is a pull down projector screen. A small mini catering area has a sink, hot and cold water and limited cutlery and crockery.

Both the Hall and the Giles room have instant heating at the push of a button. There is free Wifi in the building.

Changing rooms. There are two changing rooms with showers available for hire, with one or both of the football pitches. Use of these facilities will need coordination with regular football teams who already use them.

Surroundings. Apart from the football pitches, which in the summer time are green open spaces, there is a play area for youngsters right next to the hall, senior play equipment further down the field, and of course a newly refurbished BMX track which can also be used by skate boarders. All these are freely available to anyone who uses the building. Please note that the surroundings belong to the Parish Council and note the Village Hall.
