

## **Tables**

Under the stage platform, in the middle two pull-outs, we house a dozen large rectangle tables (approx. 6ft x 2ft). In the left hand pull-out we store a number of smaller rectangle tables (approx. 2'6" x 3'00"). Together with two trolleys where we stack our chairs we have a total of 18 small tables.

Further small tables are available if not being used by the Giles room at the time of your event.
